## GRADE 1 SUPPLY LIST

### 2021-2022 School Year

In Grade 1 there are some basic supplies that your child will need for school opening. Please send these supplies on the first day of school. It is NOT required that you purchase anything new if you already have it available. There may be a few additional items required later but these will be limited. Replenishing supplies may be necessary throughout the school year.

Thank you in advance for ensuring that your child is ready for the upcoming school year. It will be important that students bring all supplies as teachers will not be able to share supplies with students and students cannot share with each other due to Covid-19 precautions. We appreciate your diligent work to have your child's supplies ready for their individual learning.
